Goodwill.

We have a program called Nurse-Family Partnership. NFP is a free personal nurse program serving first-time clients enrolled prior to 29 weeks of pregnancy and until their baby is 2 years old. Clients are paired with their **own free nurse**. Clients are visited in their home or location of their choice. NFP Nurses support healthy pregnancy and healthy babies through education, resources, and support. Nurse-Family Partnership is a home visiting model shaped by attachment theory, human ecology theory, and social-cognitive or self-efficacy theory. The model is client-centered, and client-identified goals drive it.

CoAction administers the WIC program in Pulaski County and would be a good resource to list in this guide. We are also a resource for older adults and those with physical disabilities who are seeking home—and community-based services and assistance. I have included a link to our website. Not all our services are provided in Pulaski County. Contact Jennifer Malone: jmalone@coaction.care
